The ADRENALINE is the narrowest of our models offering a unique shape contributing to extreme hand comfort.

Possessing a narrow line, the ADRENALINE is a great bowl for both new and experienced bowlers offering an easy, more direct line to the jack.

Definitely for all the straighter shooters, the ADRENALINE thrives on the medium to quick surfaces, both on Grass and Synthetic.

All round great bowl, that will have you playing at your best!

- Precision made with advanced technology to suit all Australian conditions.
- Narrow bias line ideally suited to greens running 13 seconds and above.
- Suitable for all types of grass & synthetic greens.
- Exceptional shape & comfortable feel in the hand.
- Very even, predictable curve and straight finish into the jack.
- Outstanding line with weighted shots.

The CONQUEST is a mid-range bowl. Its trajectory possesses extraordinary accuracy on all types of greens, offering predictability together with a flat finishing line.

Suited to all types of greens & all green speeds the CONQUEST is the complete all-round bowl.

Its stability & predictability along with a flat finish that holds a consistent line on weighted shots will have you playing like never before.

- Innovative technology engineered to suit all Australian conditions.
- Consistent & reliable line designed to perform well on all speeds of greens and for players in any position.
- Suitable for all types of grass & synthetic greens.
- Excellent reaction in Windy Conditions.
- Unique optimum shape & comfortable feel in the hand.
- Possesses the ability to draw around or under short bowls, yet still hold a great line with weighted shots.

The LS-125 incapacitates all lawn bowls conditions and is a mid to full biased model bowl with a predictable and consistent line.

Designed & engineered in conjunction with Multiple World Champion Leif Selby, the LS-125 is an extremely stable bowl offering superior hand comfort and flawless control.

The LS-125 enables the ability to draw around short bowls yet still hold a much narrower line with weighted shots.

Suited for the slow to medium paced greens, this model will provide all bowlers with great confidence!

- Designed & engineered to suit all Australian conditions.
- Consistent & reliable line designed to perform well on all speeds of greens and for players in any position.
- Suitable for all types of grass & synthetic greens
- Outstanding reaction in Windy Conditions
- Distinctive ideal shape & comfortable feel in the hand
- Possesses the ability to draw around or under short bowls, yet still hold a great line with weighted shots
